

# **Camp Internet**

**Invites Your Teachers**

**To an in-service GPS/Internet technology day**

**Thursday January 17<sup>th</sup>, 9am–3pm**

**Visit the Guadalupe Dunes !**

Workshop meets at the GETA Technology Center in Guadalupe at 9am and will spend the day learning about Camp Internet's GIS and GPS resources, and how to use the Internet to access and publish research findings. Afternoon includes a hike out to Guadalupe Dunes with a naturalist from the Dunes Center. If your teacher is already subscribed to Camp Internet, they need to bring along their Camp GPS unit, Camp field note pad, bottled water, a bag lunch and their Camp backpack. If your teachers are not yet enrolled in Camp Internet, we offer you a chance for them to enjoy this in-service day as our guest at no-cost, and we will loan the attendees a GPS unit for the day (they should bring other

supplies listed above). There is no fee for this special in-service day for subscribing or guest teachers.

**Please RSVP to [camp@campinternet.net](mailto:camp@campinternet.net) or call
