Indian School Distance Learning Community Grant

The RAIN Network is pleased to announce that these 35 Indian Schools are eligible to apply for a Distance Learning Community Project Grant to bring a computer and online learning activity package to two teachers and their classrooms 2002-2004. This educational technology grant is made possible thanks to the USDA Rural Utility Service, Camp Internet, and the Visible Light Distance Learning Consortium. *Teacher training is also provided during Summer 2002 and 2003.*

To apply, please use the online Camp Internet enrollment form located at www.campinternet.net/intro (note 'RAIN/USDA Project' in billing area). **Applications are Due by May 15th** and please select a training date at Laguna, New Mexico or other location based on the travel funds available from your school. If your school is not on this list and you would like to apply, you will be placed on a waiting list with every effort made to provide services to every interested Indian School teacher.
