

~ Vernal Equinox Celebration ~

The First Day of Spring is March 21st each year – the Vernal Equinox. Come celebrate Spring and Gardening online with Camp Internet at our March Family night.

Camp Internet 'First Day of Spring' Family Night

Thursday March 21st, 6-8pm

Bring your family's stories about gardens you have grown or visited, about ways you celebrate the coming of Spring, or about plants you enjoy the most. If you tell us a story about a flower or plant you appreciate, we will do our best to get a picture of the plant online for you right then, online, to illustrate your story!
